# WHY CELEBRATE WITH US?

We're Sydney's iconic spot for your special occasion that people keep talking about...!

The cocktails and pizza were divine. The atmosphere buzzing with people having drinks after work attracting a large number of women drinking fluffy cocktails. The decor is cute with flowers covering the ceiling and murals painted on the walls. The entry door is red matching the decor of the flowers. Friendly staff and great service. Would recommend for a girls night out for pre-drinks and a bit to eat

**Marissa**

We came here for a work celebration and had the best time. We did the bottomless brunch (which can start at 2pm!!) and everyone loved the drinks and were really impressed with the food.

Service was incredible and attentive all day, even for a friday. We were able to relocate and stay for a couple more hours after 1.5hr brunch as well. Atmosphere and location was great!
